Gospel: Luke 23:35-43

It is amazing that in this highly technological world that we live in, kings still represent modern nations, such as England, Spain, Belgium. A king represents the top of the human chain. But really when you think about it, no Christian can claim to be a true king since Jesus Christ is superior to any human being. Therefore he can truly claim to be a King, everyone else bends their knees to Him. The Kingship of Jesus Christ belongs both to this world and the next. He doesn't force us to obey Him. He gives us a choice to be His disciples or not.

An anonymous donor is granting a matching donations of up to \$12,500 to St. Cecilia parish. This donation is specific to be used for the repayment of the debt the parish incurred when the church was remodelled. Though this is a busy financial time of the year, nevertheless we cannot ignore this opportunity to alleviate our debt to the diocese. We have three more years to pay off our debts. Matching this donation helps us enormously. We have until the end of the year.

December 14th, Christmas Party. Mark your calendar. Bring a talent.
