Gospel: Mark 14:1-15:47

We enter Easter Week taking us through the last week of Christ's life.

Today is known as Palm Sunday and as Passion Sunday, two titles expressing contrasting themes. Reading the passion draws attention to the suffering and death of Jesus. But the palm expresses his triumphal entry into Jerusalem and the singing of Hosanna anticipates his ascension into heaven. The events of this week form a story which must be read on the two levels of human suffering and divine triumph.
