Saint Valentine, Martyr

There is a story of Valentine while in a Roman prison. He falls in love with the jailer's daughter and before he was martyred, sent her a letter signed "Be My Valentine, From Your Valentine."

So began the Feast Day of not forgetting one of the most important love's in our lives, our spouse. In the medieval ages, young girls were supposed to marry the first male they met on Valentine's Day. I am sure they organized it to the clock's second hand.

Happy Valentine's Day.

Universal Church

A documentary on parish life "Scenes from a Parish", raises two fundamental questions. Is my faith imbued and vibrant because of a personal relationship to God, or is it a cultural expression. Secondly, does the parish make a difference in one's life that is essential to my life.
