Gospel: Luke 13:1-9

The pharisees had no time for sinners. They believed they should just be written off. Jesus didn't agree and so he told them this story of the fig tree. This gospel has been called the Gospel of Second Chance. The history of the church is full of examples of barren fig trees that in time became fruitful, in other words, Sinners who became Saints.

St. Cecilia & St. Mary Finance Committee submitted the following suggestions to the parish at the 2/21/2010 meeting:

- More fund raisers needed for both communities;
- Sunday 1st collections not sufficient to cover basic expenditures;
- Both parishes need to establish some comfort zone;
- A Development Committee to be formed to address fund raisers;
- Suggested Sunday Collections per adult, \$20; (most welcome if one can give more);
- When missed Mass(es), it is suggested that each person will support the parish by including the missed donation(s) next time at Mass;
- All comments were announced to parishioners and placed in bulletins and parishioners have been made aware of parish financial need;
- Our parish functions prices are to be increased from \$10 to \$15 per adult.
